INDEPENDENT AUDITOR'S REPORT

To the Member
Lunn Partners Securities, LLC
Chicago, Illinois

We have audited the accompanying statement of financial condition of Lunn Partners Securities, LLC (wholly owned by Lunn Partners, LLC) as of December 31, 2002, that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Lunn Partners Securities, LLC as of December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

Total liabilities and member's capital	\$	<u>350,000</u>

The accompanying notes are an integral part of the statement of financial condition.

LUNN PARTNERS SECURITIES, LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

Note 1. Nature of Business and Significant Accounting Policies

Lunn Partners Securities, LLC (the Company), is an Illinois corporation formed on June 27, 1997, for the purpose of conducting business as a broker-dealer in securities and is wholly owned by Lunn Partners, LLC. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the National Association of Securities Dealers, Inc. (NASD). The Company is scheduled to terminate operations on December 31, 2050.

The Company operates under the provisions of Paragraph (k)(2)(ii) of rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company carry no margin accounts, promptly transmit all customer funds and deliver all securities received in conjunction with its activities as a broker-dealer and does not hold funds or securities for or owe money or securities to customers.

The following is a summary of the Company's significant accounting policies:

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Income taxes: As a limited liability company, the Company is not subject to federal or state income taxes. The member's respective share of the Company's income or loss is reportable on its separate federal and state income tax returns.

Note 2. Liabilities Subordinated to Claims of General Creditors

The liability pursuant to a subordinated loan agreement bears interest at a market related floating rate and matures on August 30, 2004. The agreement is with the Company's parent entity, Lunn Partners, LLC. The borrowing is subordinated to claims of general creditors and is covered by an agreement approved by the NASD. As such, the liability at December 31, 2002, is available in computing net capital under the SEC Uniform Net Capital Rule. To the extent that such borrowing is required for the Company's continued compliance with minimum net capital requirements, it may not be repaid. The balance outstanding under this agreement was \$250,000 at December 31, 2002.

Note 3. Net Capital Requirements

The Company is a broker-dealer subject to the SEC Uniform Net Capital Rule (rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2002, the Company had net capital of \$271,294 which was \$171,294 in excess of its required net capital of \$100,000. At December 31, 2002, the Company's net capital ratio was .00 to 1.

LUNN PARTNERS SECURITIES, LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

Note 4. Related Party Transactions

The Company has entered into an operating agreement with its parent whereby all operating expenses of the Company are paid by the parent. For this arrangement, the Company pays a management fee equal to the net profits, as defined. Management fees totaling \$430,021 were paid to the parent during 2002.

Note 5. Financial Instruments with Off-Balance-Sheet Risk

In the normal course of business, the Company executes and enters into securities transactions that are carried and cleared by other broker-dealers on a fully disclosed basis. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. Amounts due from broker-dealers represent a concentration of credit risk. The risk of default depends on the creditworthiness of the counterparty. The Company does not anticipate nonperformance by its clearing brokers. In addition, the Company has a policy of reviewing, as necessary, the credit standing of each counterparty with which it conducts business.

The Company enters into various transactions involving derivatives and other off-balance-sheet financial instruments. These financial instruments include futures and options on futures and are used to conduct trading activities and are, therefore, subject to varying degrees of market risk. Futures contracts are executed on an exchange and cash settlement is made on a daily basis for market movements. Accordingly, futures contracts generally do not have credit risks. Market risk is substantially dependent upon the value of the underlying financial instruments and is affected by market forces such as volatility and changes in interest and foreign exchange rates.

Note 6. Impact of Recently Issued Accounting Standards

In June 2001, the Financial Accounting Standards Board issued Statement No. 142, *Goodwill and Other Intangible Assets*. Statement No. 142 is required to be applied in years beginning after December 15, 2001. Under Statement No. 142, goodwill and intangible assets that management concludes have indefinite useful lives will no longer be amortized but will be subject to impairment tests performed at least annually. Also, upon initial application, the Company is required to perform a transitional impairment test to all previously recognized goodwill and to assign all recognized assets and liabilities to reporting units.

During 2002, the Company performed the first of the required impairment tests of goodwill, and determined goodwill to be fully impaired in value resulting in a \$70,270 asset write-down for the year ended December 31, 2002.
